Re: FPPC Case No. 080362; Friends of Stuart Waldman

Dear Mr. Waldman:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. As you are aware, the Commission in June 2008 received a sworn complaint against you alleging that you violated the Act. Specifically, the complaint alleged that expenditures made by the Alliance for Progress and Education were coordinated with the Friends of Stuart Waldman committee and therefore were not "independent expenditures" as reported.

The Enforcement Division has completed its investigation of the matter and has determined that there is insufficient evidence to establish a violation of the Act. Therefore, we are closing this case without further action.

Please feel free to contact me with any questions you may have regarding this letter.

Sincerely,

REDACTED

William Marland
Program Specialist
Enforcement Division
